*Waldorf School*  
OF ORANGE COUNTY

Costa Mesa, California

Dear Colleagues of the Southern California—Hawaii AWSNA Region,

We would like to invite you to a Back-to-School conference with Dorit Winter, Waldorf teacher since 1973 and Teacher Training Director for 25 years, taking place at the Waldorf School of Orange County from Wednesday, August 26 through Friday, August 28, 2015.

Colleagues who are currently carrying a program in one of our sister schools and Foundation Studies & teacher training students that are interested in deepening their knowledge and wisdom of Waldorf Pedagogy are invited to join us.

We will be able to benefit from Dorit Winter's experience, inner engagement and insights. Dorit began her teaching career in 1969. She has taught 5th through 12th grades as well as adults. She spent 25 years as the founding Director and lead teacher of Waldorf teacher training programs in the San Francisco Bay Area.

During the three morning sessions, Dorit Winter will speak about Seeking Clarity. Clear judgement is essential in our classrooms and in our faculty-run/self-administered schools. Yet astral fog often obscures decision making processes. Based on a specific set of indications from Rudolf Steiner's *Early Esoteric Lessons*, we will consider some causes, consequences and cures for the obfuscating fog. Clarity of form and color will be the goal of our supplementary painting exercises.

The registration fee is \$90 per person. The registration fee includes snacks and beverages. An optional lunch is available for pre-ordered purchase.
